Comments: Sea Shell II's “downeast” design makes her a perfect all-weather cruiser. Her wide decks and roomy cockpit make her both attractive and comfortable.

This vessel is equipped with everything from rod holders to refrigeration and reverse-cycle air conditioning! You can fish from her or just cruise in comfort. She is also economical to run and is powered by a fuel-efficient 300 HP Yanmar diesel. Sea Shell II is perfect for a one-day or one-week charter.

Join us soon for a relaxing cruise aboard Sea Shell II.
