Grand Banks 42 Motor Yacht Twin Engine, Double Cabin With Bow Thruster

“DAWN TREADER”

Comments: Like its Narnian sistership in C.S.Lewis’ *Chronicles of Narnia*, this *Dawn Treader* was built to explore unknown lands . . .

or the islands of Southwest Florida! This beautiful yacht may not have been commissioned by a King, but she’s definitely fit for one! Her motor yacht styling offers her guests separate and equally comfortable cabins with private heads. In addition, there is a roomy salon, well-equipped galley and modern navigation station. So, live out your fantasy and take your own voyage on the *Dawn Treader* soon!
